- Use a wide vocabulary including those related to the passing of time e.g. before, after, a long time ago, past.

Music

- Continue to learn to perform simple rhythms, keeping to a steady pulse. We will also begin to explore creating different sounds on a variety of un-tuned percussion.

P.E.

- Create a sequence involving shape travel, balance, turns and jumps, working in groups and pairs.
- Move to the beat and rhythm.

PSHE

- Different stages of development (baby, toddler etc) and the people who help/helped them at those stage.
- Keeping safe

VALUE – Responsibility

Suggestions for ways to support at home:

Talk to your children about the toys you played with as a child. Discuss the similarities and differences.
