## Music

Recognise rhythm and sing songs in unison.

## P.E.

Use different apparatus to develop balance, coordination and footwork.

## PSHE

Look at what is fair and unfair, kind and unkind and right and wrong.

Hygiene

## **VALUES –Respect and Cooperation.**

We will be discussing what respect means and why it is important to be respectful.

## Suggestions for ways to support at home:

### Science

Go on a scavenger hunt around your home or garden to find items made of different materials like wood, metal, plastic, and fabric.

Go on a nature walk and explore and discuss the senses.

### Geography

Have your child create a collage or drawing of each continent and ocean, adding pictures or stickers representing different regions.

Create a daily weather chart where your child can record and observe the weather in your local area and compare it with weather in different parts of the world.
